 Download Book

Choose to **Read Online** or **Download Book**. The choices are similar to the Browns ebooks and will depend on how you would like to access the book.

Read Online gives you quick access to the ebook with features that make it easier to read and use. If you choose the **Download Book** option, you need to have Adobe Digital Editions installed and be registered with Adobe. You can download the ebook to multiple devices, but each device must have the right software and the same Adobe ID. You might need to enable pop-ups in your browser from the ebook platform. In college Adobe should be installed on all student computers. Staff will need to contact IT to get it installed on their computer.

- Choose the number of days from the drop-down list and click download.
- Once downloaded on your device you may need to open 'Adobe Digital Editions'. Go to your downloads folder and find the downloaded PDF and drag it into 'Adobe Digital Editions'. It will then install the ebook into the bookshelves and allow you to access and read the ebook from there.

In downloaded ebooks, not all accessibility features will be available and you will not be able to copy or print. In read online ebooks, copy, print, and notes are only available within copyright restrictions.

Please note that some Browns ebooks can only be used by one person at one time. If the book is in use, add yourself to the queue and you will receive an email confirming when you can read the ebook.
