

## Database List

The college subscribes to the following databases to provide a range of online material including journal articles, online books and specialist subject resources.

### Searching

Some of these databases are included in the Discovery search results list. The other databases are separate resources and the links and login instructions can be found in the right hand column of the results screen under 'More from our Library'. For more details, see the **Discovery Online Resources guide**.

The links to the databases can also be found by searching the Library Catalogue.
