

Database List

The college subscribes to the following databases that provide a range of online material including journal articles, online books and specialist subject resources.

Some of these databases are included in the Discovery search results list. The other databases are separate resources and the links and login instructions can be found by searching the Library Catalogue. Links to some databases can also be found in the right hand column of the Discovery results screen under 'More from our Library'.

Some of these resources will require a college username and password.

	A-Level Review magazines online: covering many A-level subjects with up to date articles to help support exam preparation.
